

2003 Kentucky Tide American Cup

The 2003 Tide American Cup recreational state finals were held June 21-22 in Oldham Co at the Oldham Co YSA game and practice fields. The weekend was quite a success as the weather was beautiful and the games were extremely competitive throughout the entire weekend. I would like to thank Jack Banbury and all the volunteers from the Oldham Co YSA for all their efforts in making this event possible. Without these volunteers it would be impossible to hold such events for the members of Kentucky Youth Soccer. I would also like to thank all the parents, players, coaches, and referees for all their hard work and dedication to the sport of soccer. Again congratulations to all on a great weekend and we look forward to seeing all of you at future Kentucky Youth Soccer events.
