KYSA Adidas Volunteer of the Year Award

Christi Scovel

- ◆ Christi has been involved with the Elizabethtown YSA for many years as a league organizer, team manager, and volunteer.
- ◆ She single handedly founded and developed the Elizabethtown YSA TOPsoccer program for children with disabilities.
- ◆ In the beginning, she organized a coaching staff, volunteers, sent notices to the newspaper, participated in radio interviews, spoke to surrounding youth leagues and schools to get the program off the ground.
- ◆ During the spring 2006 season, Christi put together the first ever TOPSoccer Round Robin held in Elizabethtown on May 13.
- ◆ Christi made this event possible through her passion for the sport of soccer and more importantly her passion to give children with disabilities an opportunity to play soccer.
- ◆ Without Christi, these children in E-town would not have an opportunity to play soccer on a weekly basis.

**Congratulations to Christi for being named
2006 adidas KYSA Volunteer of the Year!**
